

## July 2021 Board Report

### Daycare Report

- See attached finance report.
- Roof is complete and looks amazing. Kitchen repairs and painting inside will continue.

### Early Childhood Learning

- Online and in-person registration for preschool continues. Screenings will occur mid August when teachers return. Recruitment efforts continue.
- As of now, no restrictions have been noted for upcoming school year. ECERS guidelines will be enforced and home visits will need to be face-to-face meetings.
- Preschool Partnership Grants have been renewed and we will intend to apply with Head Start/NKCAC being our partner.

### Special Education/504

- Teachers continuing to attend summer professional developments and assist with summer school opportunities.
- KDE annual determination was received and our district MET all requirements again. Congratulations to our hard working staff who helps make this happen.
- Additional relief funds have been received from KDE to assist with special education in the amount of about \$60,000.
