

13th District meeting 10/28/2020

Todd County does not want to play on preexisting dates for distinct seeding. Proposal is to play each other in all 13th district seeded sports twice home/away. All boys/girls basketball district games will be played Friday for prime time purposes. Sports of volleyball/baseball/soccer/softball play district games on Tuesday nights Home/Away.

These proposals were approved 4-0 in previous meetings by all four schools.
