HISTORY/BACKGROUND:

Beechgrove SBDM Council is requesting to add a 0.064 teacher to Beechgrove's 2021-2022 staffing plan. A special education teacher will be retiring August 31, 2021 and this retiring teacher would be able to transfer to the 0.064 teacher position from August 16-31, 2021. The special education position would be filled prior to the beginning of the school year allowing continuity of teaching, limiting the disruption of learning, and doing what is best for students. Beechgrove has a high number of new students who enroll each year. With the increased number of new students beginning and virtual students returning to in-person learning, this 0.064 teacher will assist with administering Brigance, Dibels, Phonics and Reading Inventory screeners to determine student need. This position aligns to Beechgrove Elementary School's Comprehensive School Improvement Plan.

FISCAL/BUDGETARY IMPACT:

\$3,000 estimated to be paid out of Title Budget.
