All certified employees shall be paid for four (4) holidays which shall be designated in the official school calendar. These are part of the school year required by state law.¹ Certified employees with contracts of two hundred and thirty-five (235) days or more shall be entitled to the following paid holidays if they occur on days when school is not in session for staff members: New Year's Day, Martin Luther King Birthday, President's Day, Primary Election Day, Memorial Day, Juneteenth National Independence Day, Independence Day, Labor Day, General Election Day, Thanksgiving Day, the Friday after Thanksgiving, Christmas Eve (could be the Friday before if Christmas falls on a Monday), Christmas Day, and New Year's Eve. NONCONTRACTED DAYS

Employees shall work the days specified in their contracts. Use of noncontracted days must be approved in advance by the Superintendent or the Superintendent's designee.

Twelve month certified employees are employed on a two hundred thirty-five (235) day contract or two hundred and forty (240) day contract. Twenty-five (25) noncontracted days shall be granted to 235 day employees and twenty (20) noncontracted days shall be granted to 240 day employees.

Effective July 1, 2013, employees shall no longer be granted annual leave with pay. The employee shall be paid his/her normal daily rate of pay for each day of annual paid leave accumulated as of June 30, 2013 and shall be made as follows:

- In the year an employee retires, resigns, or whose employment is otherwise terminated, annual leave accumulated as of June 30, 2013 shall be prorated and accrued at a monthly basis at the rate of one-tenth (1/10) of the eligible annual leave per month, not to exceed total leave time available. APPROVAL

The employee must obtain approval from his/her immediate supervisor before taking noncontracted days. The employee's immediate supervisor may deny the request for annual leave if he/she deems the time for such leave will cause undue hardship or interfere with the daily operations of the District.

Absent a medical emergency, approval will not be granted for any certified employee to take noncontracted days during either the first two (2) weeks or last two (2) weeks of the school year. Approval for noncontracted days during these periods of time requires that the certified employee present documented proof of the medical emergency or need, and secures approval of the noncontracted days through the Superintendent.

Approved holidays shall not be counted in the noncontracted days provision of this policy. Time off during the December/January holiday season and during the first week of July shall be counted against the employee's noncontracted days.
