The grant is made on the following terms:

1. **MSD** has the right of ingress and egress over **GRANTOR's** property to and from the easement at all times for the purpose of constructing, operating, maintaining, repairing and reconstructing sanitary sewers, drains, and related equipment, structures or materials, hereinafter referred to as appurtenances, under **MSD's** jurisdiction, control, and supervision.
2. Nothing shall be placed in, on, over or under the sanitary sewer and drainage easement which will obstruct or interfere with the purposes of said easement.

6. **MSD** covenants that it will assume full responsibility for claims resulting from damage to any land, improvement, or the environment within or outside the sanitary sewer and drainage easement granted herein, or to any land or improvements used for ingress and egress to such easement, caused by **MSD** during construction, operation, maintenance, repair or reconstruction of said sanitary sewers, drains, and appurtenances unless damage is caused by the placing of any structure within or outside the easement in violation of this certificate, in such case no liability will be assumed by **MSD**.
7. If shown, a temporary easement, as defined and marked "Temporary Construction Easement" on the plat attached hereto is hereby reserved for **MSD's** use as needed during original construction of said sanitary sewers, drains, and appurtenances.
