the Audit's Findings and Recommendations. The Board will consider the Contractor's response and any additional information provided by the Contractor when determining whether or not specific expenditures should be allowed.

#### **6. Liability of the Board**

In no event will the Board or the Kentucky Cabinet for Health and Family Services/The Department for Community Based Services be responsible for, or liable to, any third party, including the Contractor, unless otherwise stipulated in this Agreement, for any damages of any type including but not limited to liquidated, proven, compensatory, or real, arising from or in any way associated with or attendant to, acts or omissions of the Contractor relating to this contract, including but not limited to, the Contractor's infringement of any United States patents, copyrights, or rights in data.
