**Subject:** surplus trucks

Jennifer

Unit 5039 1996 Dodge has transmission out in it and is to be surplus. Mileage is around 210000.  
Unit 7026 2005 Ford has blown head gasket. Mileage is around 140000. Both vehicles are beyond economical repair.  
Wes talked to Cindy today about unit 7016 it was a total loss .

THANKS
