<small>5 inches of level 3000 psi concrete in good condition is required. If concrete does not meet minimum requirements, additional cost will be incurred, such as return trip charge, cost of shim materials, grout, and cost to remove/replace concrete if necessary. All new anchor bolts must be located away from saw cuts, expansion joints, cracks, and old anchor bolts based upon the manufacturer's requirements. Electrical connections, temporary power to operate/test lift during install, shim materials, longer anchor bolts, epoxy, grout that maybe needed due to floor variance are NOT included. CE is not responsible for floor damage/scuffs and damage to under floor utilities during the installation due to the nature of the product and installation.</small>			\$13,297.00
<small>All terms are net with delivery unless otherwise stated above. All equipment/parts remain the sole property of CE, Inc. until 100% payment is received for each product and service. Warranty for each product sold is as stated by the manufacturer. CE does not offer any stated or implied product warranty other than the manufacturer's. Payments other than per the terms expressed in this quote are subject to 1.5% interest per month plus all collections cost. Authorizing signature accepts these terms.</small>			PAY THIS AMOUNT

THANK YOU FOR YOUR BUSINESS!
