Consent Agenda Item (Action Item): Approve an agreement between the Floyd County Board of Education and 7 Mindsets to provide SEL curriculum, lessons, resources, materials and text for grades k-12.

Applicable State or Regulations: Board Policy states that only the Board of Education may enter into contracts and agreements.

Fiscal/Budgetary Impact: The cost of the curriculum is 348,000 and will be paid from ESSER funds.

History/Background: Mindsets are ways of thinking that influence our feelings, thoughts and actions. Mindsets are rooted in emotion, they affect our relationships, and our quality of life. What separates the 7 Mindsets from other SEL programs is that we nurture the mindsets of both students and educators. The activities and experiences make participants more receptive to change and offer tremendous opportunity for personal growth. The 7 Mindsets empowers both students and educators to live lives of passion, purpose, and meaning by positively changing the way they think about themselves and their future.

Recommended Action: Approve the agreement between the Floyd County School board and & Mindsets to provide SEL curriculum to all Floyd County Students
