RE: Screencastify License Renewal for 21-22

Screencastify has been a valuable tool for our teachers over the last couple of years. They're able to make tutorial videos, sub plans, audio and video feedback on assignments, screen recording, video editing experience for students, recording group assignments, etc. Students also use Screencastify for projects that can allow student choice, giving them opportunities to create digital media to share with peers and back to the teacher. I'm asking for approval for a 3 year extension with Screencastify at \$41,580, which is a savings of almost \$5,000 over three years.

Thank you and if you have any questions please feel free to contact me at 502.869.8040.
