If the Contract Amount is paid from federal funds, this Contract is subject to Executive Order 11246 of September 24, 1965 and in such event the Equal Opportunity Clause set forth in 41 Code of Federal Regulations 60-1.4 is hereby incorporated by reference into this Contract as if set forth in full herein.

ARTICLE VII
Prohibition of Conflicts of Interest

It shall be a breach of this Contract for Contractor to commit any act which is a violation of the provisions of Article XI of the Regulations entitled "Ethics and Standards of Conduct," or to assist or participate in or knowingly benefit from any act by any employee of the Board which is a violation of such provisions.

ARTICLE VIII
Changes

The Board shall compensate Contractor for Services satisfactorily performed through the effective date of termination.

ARTICLE X
Termination for Default

The Board may, by written notice of default to Contractor, terminate the whole or any part of this Contract, if Contractor breaches any provision of this Contract, or so fails to make progress as to endanger performance of this Contract, and in either of these circumstances, does not cure the breach or failure within a period of five (5) days after receipt of notice specifying the breach or failure. In the event of termination for default, the Board may secure the required services from another contractor. If the cost to the Board exceeds the cost of obtaining the Services under this Contract, Contractor shall pay the additional cost. The rights and remedies of the Board provided in this Article shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

ARTICLE XI
Disputes

Any differences or disagreements arising between the Parties concerning the rights or liabilities under this Contract, or any modifying instrument entered into under Article VIII of this Contract, shall be resolved through the procedures set out in the Regulations.

ARTICLE XII
Contractor's Work Product

Unless waived in writing by the Contract Administrator, the Board shall retain ownership in and the rights to any reports, research data, creative works, designs, recordings, graphical representations or other works of a similar nature (hereinafter "Works") produced or delivered by Contractor under this Contract. Contractor agrees that the Works are "works for hire" and Contractor assigns all right, title and interest in the Works to the Board.

Any reports, information, data, etc. given to or prepared or assembled by Contractor under this Contract shall not be made available to any individual or organization by Contractor without the prior written approval of the Board. Provided, nothing in this Article may be used to violate the provisions of any Kentucky or Federal statute or regulation which requires reporting of information.

ARTICLE XIII
Contract Administrator

The Board shall appoint a Contract Administrator for the purposes of daily administrative decision-making pertaining to the Contract. If Contractor and the Contract Administrator disagree on any circumstance or set of facts pertaining to the administration or execution of this Contract, the Board shall resolve the matter after notification by either the Contract Administrator or the Contractor in the manner prescribed by the Regulations. If the Board fails to give notice to Contractor of the appointment of a Contract Administrator, the Contract Administrator shall be the Board's Chief Financial Officer.

ARTICLE XIV

The Board shall have the right to inspect and audit all accounting reports, books or records which concern the performance of the Services. Inspection shall take place during normal business hours at Contractor's place of business. Contractor shall retain all records relating to the performance of this Contract for five (5) years after the end of the term of this Contract.

ARTICLE XV

A. All Articles shall be construed as read, and no limitation shall be placed on any Article by virtue of its descriptive heading.

B. Any notices or reports by one Party to the other Party under this Contract shall be made in writing, to the address shown in the first paragraph of this Contract, or to such other address as may be designated in writing by one Party to the other. Notices shall be effective when received if personally delivered, or three days after mailing if mailed.

C. If any part of this Contract is held to be void, against public policy or illegal, the balance of this Contract shall continue to be valid and binding.

D. This Contract shall be governed and construed in accordance with the laws of the Commonwealth of Kentucky.

E. No delay or omission by either Party in exercising any right under this Contract shall operate as a waiver of that or any other right or prevent a similar subsequent act from constituting a violation of this Contract.

F. At all times during the term of this Contract, Contractor shall comply with the Family Educational Rights and Privacy Act of 1974. If Contractor has access to student records, Contractor shall limit its employees' access to those records to persons for whom access is essential to perform this Contract.

If this Contract requires Contractor and/or any employees of Contractor access to school grounds on a regularly scheduled and continuing basis for the purpose of providing services directly to a student or students, all individuals performing such services under this Contract are required to submit per KRS 160.380 to a national and state criminal history background check by the Department of Kentucky State Police and the Federal Bureau of Investigation and have a letter, provided by the individual, from the Cabinet for Health and Family Services stating no findings of substantiated child abuse or neglect found through a background check of child abuse and neglect records maintained by the Cabinet for Health and Family Services.

H. Contractor shall be in continuous compliance with the provisions of KRS Chapters 136, 139, 141, 337, 338, 341 and 342 that apply to the Contractor or subcontractor for the duration of this Contract and shall reveal any final determination of a violation by the Contractor or subcontractor of the preceding KRS Chapters.

F-471-1 Revised 05/2011

June 2, 2021

To Whom It May Concern:

The School of Professional Psychology at Spalding University has an APA accredited doctoral program in clinical psychology. A major focus of training involves placing highly competent graduate students in community settings under the direct supervision of licensed psychologists. Family Resource Youth Service Centers in area JCSP schools constitute some of these community settings. Students placed in FRYSCs provide psychological services to school children, working in concert with each school's FRYSC Coordinator.

For the 2021-22 academic year, each FRYSC to which a student is assigned can expect to receive approximately 225 direct hours of service from that practicum student, with an additional 225 hours allocated to administrative tasks/consultation/supervision. Each student will be expected to meet weekly with a licensed psychologist, contracted by the School of Professional Psychology, who will provide their clinical supervision.

Given that placements last approximately 36 weeks, equating to a minimum* of 36 hours of supervision by the contracted psychologist, such supervision will cost about $108/hour, a fee markedly less than the community standard of $140/hour. Thus, the total supervisory expense associated with each student's provision of 225 hours of direct service will be $3900. (*Supervisors routinely meet with students for more than one hour per week, but since one hour is the minimum, this is how the cost was calculated.)

The School of Professional Psychology at Spalding University greatly values the training partnership we have with JCSP and the FRSYC program. We look forward to another excellent year.
