

Southgate Board of Education Meeting
DoSE Report
September 2021

1. We were notified by KDE that Southgate Independent School District Preschool Program scored a “Meets Requirements.” This is based on data from GMAP, performance indicators and measures, District educational outcomes form students and regulation compliance.
2. The kindergarten teacher is in the process of finishing up administering the Brigance K Readiness Assessment. I will have scores to share next month.
3. The preschool students started school on Tuesday. I am happy to say that the program is full at 13 in each session, for a total of 26 students. We have a waiting list of 2 children from outside the district.
4. Southgate currently has 21 students in grades P-8 that are identified as having special needs. There are 19 students receiving speech/language services.
