BACKGROUND INFORMATION:

The Kentucky Migrant Education Program is a federally funded program designed to provide supplementary education and human resource services to highly mobile children up to and through age 21. Woodford County Migrant Education Program (MEP) currently employs one coordinator and one half-time assistant.

SUMMARY OF MAJOR ELEMENTS:

Requesting to increase the MEP Assistant position to full-time (7.5 hours for 210 days). The current half-time position (4.5 hours for 210 days) remains vacant and has not drawn any qualified candidates since the position posted in May 2021. It is our belief that increasing the position to full-time will draw qualified candidates which, in turn, will help the overall program specifically with the current pandemic circumstances. The increase will be funded by allocated MEP federal funds.

IMPACT ON RESOURCES: Utilization of Migrant Education funds (Title I - Part C)
