Two others are about complete.....

1. Newport Floors – Ehmet has scheduled walkthrough with the contractor next Wednesday @ 3:45.
2. Newport Intermediate Re-roof – Just completed punchlist and received warranty. Ready for closeout.

Let me know if she needs anything else.

There are several BG1's that Carol is working with Jennifer on to close out that are really old. They are closed but just need to be "officially" closed out in KDE.

Thanks,

Jenny
