

Newport Education  
Foundation

September 22, 2021

**TO:** NEWPORT BOARD OF EDUCATION

**FROM:** KIM

**SUBJECT:** SCHOLARSHIP INFORMATION

COVINGTON INDEPENDENT

Covington does several things to make the students aware of local scholarship opportunities.

The scholarship list is on the senior page of the high school website. They print hard copies and distribute them to senior English teachers, Youth Services Center, School Counselors and Mentoring staff. The Senior counselor will hand them out during lunch as well. Since some of their families may not have easy access to printers, they found they got a better result with providing the students a hard copy.

LUDLOW INDEPENDENT

Their Counselor shares info a couple different ways:

On their high school page, she has a Counselor's Corner: <https://www.ludlow.kyschools.us/1/Content/26> (This time of year a whole lot are not listed yet, but she will update a list eventually)

She also has a page specifically for our local scholarships: <https://www.ludlow.kyschools.us/1/Content2/160>

She does various newsletters that are emailed to all families through IC and shared on social media too; here's an example of one from last year: <https://www.smores.com/19brx>

They have a fall Senior Parent Night (next week) and she reviews all of this, as well as lots of other senior year things for them.

BELLEVUE INDEPENDENT

Still waiting for feedback. They do have a foundation.

DAYTON INDEPENDENT

No foundation
