Spencer County School Board
Official Custodian of Records

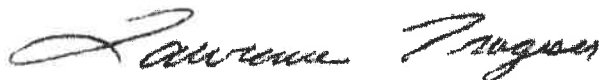

Comes the Petitioner seeking the following records:

The applications for "Employment of Political Office" that the Spencer County Board of Education received for the two vacancies created in 2021 for school board members.

The documents requested shall include but are not limited to, the applications by candidates with their names, credentials, work experience, references and reasons for seeking the board appointment.

Additionally, those documents once a candidate has been chosen by the "Board", which were filled out and placed in the new board members personnel file.

Thank you for following up!

To clarify, I'm requesting the following information:

- 1) How much money did Spencer County schools receive from ARPSSER funds, and how are those funds allocated?
- 2) How are the CDC operational strategies, given to the superintendents, being implemented in the schools?
- 3) I am requesting a copy of your school board policies, along with the oath of office of each board member.

Thank you for your time.

Sincerely,

Kelly Keller
