

Local Medical Advisory Team

Purpose of the Team: to advise the Board on COVID-19 policy matters pertaining to:

- **Universal Masking:** When would be the appropriate time to consider lifting mask requirements? What metric should we be looking at and what should the thresholds be?
- **Test to Stay Program:** Guidance on the implementation of this program.
- **Contact Tracing and Quarantining:** What should the guidelines be when it comes to identifying students and staff who need to quarantine?

Recommendation: Include a Board Member on this team (Chair or Vice-Chair).
