History/Background:

Current enrollment for the 2021-2022 school year is 5,296 students in K-12 (as of 9/23/2021). There were 5,491 students enrolled at the end of the 2020-2021 school year so enrollment is currently down 195 students as compared to 20-21. 103 of those students submitted paperwork to home school. An additional 92 are currently on the no-show list. Schools have made contact with most of these families but they have to remain no-shows until we have verified enrollment somewhere.
