Lesson Plans

The parents will drop off the student(s) at the Galt House Lobby where they will be signed in by a Beta Sponsor and directed to their rooms. They will compete in a variety of academic, social, and STEAM events over the course of a the 2 and 1/2 day period to vie for awards and a bid to the national convention in Nashville, TN during the week of July 4, 2022. We will be running a student for a state (and then hopefully national office) for the 2022-2023 school year.

Miller transportation will only be used to pick the students up from the Galt House and transport then back to school. The students will make a stop in Shepherdsville to eat lunch and parents will pick up the students and luggage at the school by 4:00 pm that afternoon.

We understand that this is subject to change with Covid, but would like approval so that if things are under control by January, the reservations have already been made and we can begin taking up payments. I understand that this subject to change because of changing Covid regulations.
