- Mrs. Lori Cobb Yes
- Mr. Brandon Rutherford Yes

*Rationale- The current District Facilities Plan (DFP) was developed by the Local Planning Committee and approved by the Board and the Kentucky Board of Education (August 2019). Amendment No. 1 which removed the renovation of the existing middle school and added the construction of a new middle school as Priority 1a.3 was approved by the KBE in February 2021. Site acquisition is administered by the Kentucky Department of Education (KDE) under 702 KAR 4:050 Building Sites, Inspection & Approval. KDE's evaluation of the documents determined that pursuant to Section 5 of the regulation for final approval the Madison County Board of Education must request approval by the Kentucky Board of Education to acquire this property for which the acquisition and site preparation costs exceed ten (10) percent of the maximum budget for the middle school project.*

Please consider this as our formal request.

Sincerely,

David Gilliam, Superintendent
