Good morning KBE members,

I am writing to have my concerns publicly read at the next meeting of the board. I have forwarded all correspondence I have made with my local Adair County School Board. I have many points/questions I could make but will limit them to a few for clarity and time sake.

1. How much money is being granted by the federal authorities for mask and vaccine compliance in KY to our local school boards?
2. Are the individual county school boards funded if they comply with these mandates by the KBE?
3. As I understand that to reopen the schools, the KBE is requiring 80% of teachers to be vaccinated. Have those faculty members been informed they have a legal, religious, practical and moral right to vaccine exemption?
4. US Code Title 42 subpara 300.aa reads,
"(1) No vaccine manufacturer shall be liable in a civil action for damages arising from a [vaccine-related injury or death](#) associated with the administration of a vaccine after October 1, 1988, if the injury or death resulted from side effects that were unavoidable even though the vaccine was properly prepared and was

accompanied by proper directions and warnings."

This single piece of forensic legal evidence shows that vaccines are NOT safe and effective. Otherwise, Big Pharma wouldn't have lobbied our federal government in 1988 for this legal end around. Therefore, if a person who is vaccine injured or dies, their family appeals to the state for relief. In these lawsuits private citizens who were negligent in their governmental duties to protect and serve the people will be held account and named in such suits. Is every member of the KBE aware of these legal entanglements they are personally in danger of?

5. Lastly I appeal to you in the name of the King of kings Jesus Christ who will give each of you an account of the office of authority which you have been given by Him.

I highly recommend that each of you read Psalm 2:1-12

Ms. Jamie Bowling as the representative from our district, may I ask, where do I find the detailed minutes of the archives of the KBE meetings please?

Thank you and God bless you.

Regards,

John McGlone
