Spam E-Mail and Postings

In the event you access or use the Website or associated services or materials in connection with the transmission of spam newsgroup postings or unsolicited e-mail in violation of these Terms of Use, you acknowledge and agree that SHI would be irreparably harmed thereby and that monetary damages would be an insufficient and ineffective remedy; therefore you agree that SHI is entitled to obtain immediate injunctive relief against any such transmission (in addition to all other remedies available at law or in equity). SHI may without restriction block, filter or delete unsolicited e-mail.

You may not post or transmit any threatening, defamatory, sexually graphic, inflammatory, profane, or other inappropriate material. SHI reserves the right to edit or remove any post or transmission that, in its judgment, is not appropriate.

You may not download or install any software that is accompanied by or includes an end user license agreement unless you agree to the terms of such end user license agreement. If you do not agree to these terms, you are not authorized to use the software.

Product and Services Information

The SHI Website attempts to display product images shown on this Website as accurately as possible. However, we cannot be responsible for photographic differences in size, shape and color of the products, as the display of the color depends, in part, upon the monitor you are using.

The receipt of an email order confirmation is simply recognition that we have received your requested order, and does not constitute an offer to sell. We reserve the right to limit the quantity of any item sold, or prohibit a sale altogether, including but not limited to prohibiting sales to resellers.

Prices and availability of products and services are subject to change without notice. Errors will be corrected where discovered, including after an order has been submitted and whether or not the order has been confirmed and your credit card charged. If your credit card has already been charged for the purchase and your order is cancelled, SHI will issue a credit to your credit card account in the amount of the charge. Individual bank policies will dictate when this amount is credited to your account. If you are not fully satisfied with your purchase, you may return it in accordance with SHI's Return Policy.

We cannot confirm the price of an item until you order; however, we do NOT charge your credit card until after your order has entered the shipping process. Despite our best efforts, a small number of the items on this Website may be mispriced. If an item's correct price is higher than our stated price, we will, at

our discretion, either contact you for instructions before shipping, or cancel your order and notify you of such cancellation. SHI is not responsible for, and will not honor, pricing mistakes, and SHI reserves the right to revoke any stated offer and to correct any errors, inaccuracies or omissions, until the order is confirmed by SHI.

The SHI Resale Terms will apply to products purchased through the SHI Website.

SHI attempts to be as accurate as possible. However, SHI does not warrant that product descriptions or other content of this Website is accurate, complete, reliable, current, or error-free. If a product offered by SHI is not as described, your sole remedy is to return it in unused condition in accordance with the aforementioned Resale Terms.

General

The Terms of Use and other rules, guidelines, licenses and disclaimers posted via the Website or in connection with the materials and services constitute the entire agreement between SHI and you with respect to your access to or use of the Website, materials and services superseding any prior agreements between you and SHI on such subject matter (including any prior versions of the Terms of Use). Notwithstanding the foregoing, to the extent that any terms set forth in the Terms of Use expressly contradict any terms of a written agreement between you and SHI regarding the use of specific services or materials (including service-specific terms of use and Software-specific licenses) ("Executed Agreement"), such contradictory terms set forth in the Executed Agreement shall govern. You may also be subject to additional terms and conditions that may apply when you use other SHI services, third-party content, or third-party software. You may not assign or otherwise transfer the Terms of Use nor any right granted hereunder without SHI's prior written consent. If for any reason a court of competent jurisdiction finds any provision of the Terms of Use, or portion thereof, to be unenforceable, that provision shall be enforced to the maximum extent permissible so as to effect the intent of the parties as reflected by that provision, and the remainder of the Terms of Use shall continue in full force and effect. Any failure by SHI to enforce or exercise any provision of the Terms of Use or related right shall not constitute a waiver of that right or provision. The section titles used in the Terms of Use are purely for convenience and carry with them no legal or contractual effect.
