## MEMORANDUM

October 1, 2021

Bullitt County Board of Education  
1040 Hwy 44E  
Shepherdsville, KY 40165

Dear Board of Education,

Bullitt East High School is seeking approval to update the “Egan Field” designation in our football stadium. The Egan family has approached us updating the sign and will cover the costs of material and labor. The current sign is made of painted pipe and the letters are peeling and need to be replaced. A second part of this project is to replace the “Bullitt East Chargers” sign with a bell. The bell is part of a football tradition we are starting called “Ring the Bell”. The current sign will be mounted to the front of the press box.

This project will be of no cost to the school or district. The new “Egan Field” sign will be constructed of painted steel and will be incorporated into the structure that already exists in the football stadium. The sign that is between the columns will be removed, the columns will be sealed and wrapped in new stone, and a bell will be mounted between the columns.

Attached are photos of the new “Egan Field” signage and a current photo of the “Bullitt East” sign.

Thank you,

Kenny Hughes  
Athletic Director
