

**Kolton Barker is a 4th grade son of Jason & Jessica Barker**

Kolt is always prepared and attentive in class. He is willing to help anyone when needed. He is an amazing all around student that is a great role model for his fellow Bobcats! We are so proud to have Kolt as a student at CDR.

**Sophia Reik is the 4<sup>th</sup> grade daughter of Samantha Weingeroff & Colby Reik**

Mr. Kluesner says, "Sophia is a very dedicated student inside and outside of the classroom. She is focused, driven, and is always willing to participate in class. She also is very kind and is constantly smiling. She will assist students around her that may need help in math. When Sophia receives work for enrichment, she takes the assignments home and receives assistance so she is certain she understands the math standard."

Her 4th grade teachers agree, "Sophia is a great listener who is always ready to share her ideas and answers in class. She is a great friend who helps classmates when they need it! She has been a pleasure to have in 4th grade and is a model student."

**Eli Weaver- is the 3<sup>rd</sup> grade son of Douglas and Tisha Weaver**

Eli always goes above and beyond what is asked of him. He gives 110 percent every time he walks in the classroom door no matter how hard the assignment is. He always helps anyone that needs it, whether it be another student or a teacher. He is an excellent leader because he models such good behavior for his peers.

**Katelynn Ratliff is the 6<sup>th</sup> grade daughter of John and Rhoda Fischer**

Katelynn is kind to help her friend and a fellow classmates. She walks with him in class, assist him in tennis, talks with him during discussions. He loves working with her and her inclusion makes him feel apart of the group. Aside from her high level of character to help, she is a good model of behavior expectations. Holding her peers accountable for proper mask wearing! This is the perfect student to recognize at the jump start of the school year! A student who is willing to help others and behave in away that others might follow her lead! I hope she doesn't grow weary in doing all the good, because I see it and I love what I see!

**Keannah Childress is the 10<sup>th</sup> grade daughter of Shonda Napier**

Keannah is an excellent student, but she is also polite, kind, and hard-working. She is conscientious and motivated. She gets along well with her classmates and teachers. She is active at GCHS in clubs and she also participates in athletics, too. Keannah is an awesome choice to represent our school as the student of the month.
