CONDITIONS

1. Only the work specified on the preceding page is within the scope of this contract. Any work outside the scope of this contract will be performed on a cost-plus basis and will be billed as an extra to the contract.
2. Every effort will be made to drain areas to be paved, however; the Contractor does not guarantee drainage on slopes of less than two percent.
3. Due to various weather related or ground conditions we cannot guarantee asphalt from cracking.
4. The Contractor does not accept responsibility for failure of any asphalt paving which the Owner requests to be laid on base material which in the opinion of the Contractor is not acceptable. Over-runs or extra work caused by unaccepted base material will be charged to the Owner as an extra to this contract.
5. When the Contractor is required to make multiple or excessive move-in and move-out trips with machinery at the request of the Owner, the Owner will pay the Contractor for the moves as an extra.
6. One of the conditions of the contract is that the work specified in the contract will be complete during the calendar year. If the work specified in the contract is not fully performed during the calendar year through no fault of the Contractor the portion completed at the end of the year will be invoiced and payment for the work invoiced will be due upon receipt of the billing. The portion of the work specified in this contract which was not completed during the calendar year through no fault of the Contractor will be subject to renegotiation.
7. The Contractor will make every effort to comply with the rules and regulations of the Occupational Safety and Health Administration.
8. The Contractor carries full Workmen's Compensation and General Liability insurance.
9. The Contractor guarantees work performed pursuant to this contract for one year from the date of completion against defective materials and workmanship.
