[RES Scorecard](#) review

School Profile Report

- Highlights what is offered at our levels
- We are not required to offer everything (world language, career studies, etc)

Reading Counts, Orton-Gillingham, Touchmath, and Guided Math

- Reading counts: Landon Smith is being honored at the October board meeting for the most points at RES (117).
- Orton-Gillingham (OG) Walkthroughs occurred on Sept. 3rd & Oct. 20th
 - It was apparent that teachers implemented feedback from first walkthrough
 - Much praise from district
- Touchmath:
 - Pro product seems to be hard to use
 - Training is being organized
- Guided Math Framework:
 - Not much data on implementation
 - Coaching session/Walkthrough scheduled for Nov. 4

Writing Plan Revised

- Proposed revision to writing plan: add to 2nd grade in January "Introduce E in RACE", as this was omitted, yet 3rd grade in August says to review RACE
- Appears to have been an oversight

Budgets reviewed

- PPA has been based on 377 enrollment putting our total at \$46,859.93 for the 20-21 SY
- Title 1 has not been approved but is projected to be reduced to approximately 136,539.00

Community Involvement

- Trunk-or-Treat for RES students and staff families will be held 10/22
- Field trips are being planned in grades 1 (dairy farm), 2 (the zoo) and 4
- [5th grade to the PAC to see the Nutcracker on Dec. 17th](#)
- School-wide Reading night scheduled for 11/18
