.....

Listed above are the clubs that we offer at Lincoln. On the back of this form, there is detailed information about each club. For anyone interested in joining a club, you can fill out the back of this form, cut off the bottom slip, and send it into school. There is also information about how to sign-up for clubs online. **Please read back of form.**

**This is an over-view of our clubs, more details will be given out about each specific club once you sign up.*

Art Club: Students will spend an hour after school working on different independent art projects geared towards their interests. Plan on making seasonal themed art projects for the holidays.

Dayton Drama Devils: The drama club is open to students interested in learning about acting and theatre. The club produces a musical each year.

LES Singing Devils: This club is a place where we can use our voices to express ourselves through music.

LES News (News Crew): Students report current events throughout the school to the community.

Garden Club: We will be learning how to take care of the earth, plant flowers and food, and learn the importance of gardening.

The Five (for boys): Mentoring young boys about the characteristics and actions to become a young man.

Robotics: Robotics is a team actively designed to strengthen students' teamwork skills, communication skills, computer programming and problem-solving skills.

STLP: (Student Technology Leadership Program) Students use technology to create a project to help the classroom, school, or community. Students can, also, participate in online projects using technology.

Chess Club (Greendevil Knights): Students learn advanced strategies in chess and practice chess.

Academic Club: The academic team is a group of 4th and 5th grade students who compete in academic and general knowledge trivia challenges. (Practices on Tuesdays, competitions are on Thursdays at 4)

Student Council: A club that increases school spirit, and develops leadership opportunities within the school and at different school events.

Club Unify: All-inclusive sports club that focuses on building positive relationships and skills. They meet every other Tuesday.

You can also sign up online through this link: <https://forms.gle/UMTLKg7BSrLUv4T16>

Some clubs are first come, first serve. Also, make sure you don't sign up for more clubs that you have time for.
