Dear Ms. Smith:

Pursuant to KRS 157.655-157.660 and 750 KAR 2:010, the School Facilities Construction Commission (SFCC) is hereby making an official FY2022 KETS offer of assistance to your Board of Education. Acceptance of this offer of assistance commits the Board of Education to follow the statutes and regulations of the SFCC and the Kentucky Department of Education governing the Education Technology Funding Program.

Based on the statewide ADA figures being used for FY2022 SEEK this year, your first offer of assistance in FY2022 is in the amount of $**55471**. Accepted state technology fund offers of assistance **must be matched equally** by your Board of Education or can be escrowed for up to three (3) years.

Please note that the education technology funds restricted account has a new designation in the MUNIS chart of accounts: **Fund 2, Project 162I** EdTech account. In order for your district to receive funds, local funds should be transferred to that account.

In responding to this offer of assistance, please provide **via email at KETS-Offers@education.ky.gov** the following information:

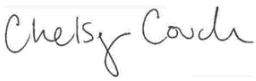

1. Copy of a report from the MUNIS accounting system demonstrating evidence of a journal entry certifying local matching funds have been transferred to **Fund 2, Project 162I** EdTech account. The certification shall be the signature of the superintendent on the report

2. Excerpt of Board of Education meeting minutes (**accepting, escrowing, or rejecting** offer within **60 days** from the date of offer)

3. **Return the attached Fund Utilization Form Required with Journal Entry.**

As always, we look forward to working with you in the Education Technology program. We trust you will join us in continuing the success of this program in your district and in the Commonwealth of Kentucky as a whole. Your District Technology Leader has been provided additional information and they should work with their regional KETS Engineer concerning any questions related to the Education Technology program.

Sincerely,

Chelsey Couch
Executive Director, SFCC
