Dear Board of Education Members:

Enclosed is the Gallatin County Family Resource Center Continuation grant for the years 10-11 and 11-12 for your review and approval.

You will see in this document that the Family Resource Center Advisory Council and the SBDM Councils from both the Lower and the Upper Elementary Schools have signed their agreements. All that is needed at this time is for District approval.

Thank you for your consideration in this matter.

Sincerely,

Pat Hendren
