Re: November 22nd Board of Education Meeting Student Recognitions: Bullitt Lick Chess Invitational

Bullitt Lick held a Chess Invitational on November 6th with 106 students competing in the three round tournament. Some of the events were individual competitions and some were team based. We wanted to recognize students who achieved high placements at the tournament. Mr. Dennis Minnis, Bullitt County Chess Director, would like to say a few words about these students and the progress of chess in BCPS.
