- PBIS (Positive Behavior Intervention Supports)
  - The goal of the program is to provide our kids with the rewards they deserve, and more importantly to motivate the kids who have a difficult time meeting our behavior expectations. We all know there will be students who will continue to present us with challenges, but please keep in mind "we can't be afraid to take on tough challenges...they will give us the biggest rewards!" Please let me know if there is anything you need from me!
