This Contract may not be amended or modified except in writing as provided in Article VIII. This Contract is supplemented by the Board's Procurement Regulations currently in effect (hereinafter "Regulations") that are incorporated by reference into and made a part of this Contract. In the event of a conflict between any provision of this Contract and any provisions of the Regulations, the Regulations shall prevail.

ARTICLE II

Services

Contractor agrees to perform the following services (hereinafter "Services") of a quality and in a manner that is within the highest standards of Contractor's profession or business. The Services are as follows:

The Contractor will provide six (6) virtual half day professional development sessions. This will equal one and a half (1 1/2) days or three (3) half days of virtual training sessions on the topic of "Culture, Climate, and Community Building" and one and a half (1 1/2) days or three (3) half day training sessions on "Examining Instructional Practices and Programs. The training on "Culture, Climate, and Community Building" will focus on examining race through the lens of school culture and climate. Leaders will leave with strategies for cultivating a community where staff regularly engage in conversation. The training on ""Examining Instructional Practices and Programs" will focus on examining the learning and social environment, specifically instructional practices, assignments, and how students engage in various structured and unstructured settings. Leaders will leave with strategies to aid them in this work, with an

emphasis on using district developed tools and protocols to support further action. The focused themes will be: Racial Equity, Community Building, Addressing Bias, Diversity, Inclusion, Belonging, and Social and Emotional Learning.

Participants will include principals and/or assistant principals from elementary schools. Participants will receive a template to develop an action plan that will help them lead change and transform themselves and the organizations, staff members, students, and the communities they serve. Participants will also lead difficult conversations, engage in activities, and learn transferrable strategies that can be used to design a supportive learning culture, with an emphasis on equity and inclusion, for students and teachers. Additionally, participants will attend a half (1/2) training on each of the two topics mentioned above. Cost for each one and a half day (1 1/2) training on each topic will not exceed \$6,000. The total for both one and a half (1 1/2) day sessions will not exceed \$12,000.

The Contractor will provide consultation calls to up to three (3) schools from each of the three zones (Zone 1, Zone 2, Zone 3 elementary). Each school could receive up to five (5) hours via consultation calls. Focus of consultation calls could include our focus themes: Racial Equity, Community Building, Addressing Bias, Diversity, Inclusion, Belonging, and Social and Emotional Learning, but could also include themes around: Cultural Competency and Culture and Climate. Principals will complete a pre-conference questionnaire to identify area(s) where support is needed. All calls will be prescheduled with the contractor. Cost for consultation calls shall be \$200 per hour, not to exceed five (5) hours per school, and not to exceed three (3) schools per zone. This would be a total, not to exceed \$1,000 per school and \$3,000 per zone. This will be a grand total not to exceed \$9,000 for all three zones.

If the Contract Amount is paid from federal funds, this Contract is subject to Executive Order 11246 of September 24, 1965 and in such event the Equal Opportunity Clause set forth in 41 Code of Federal Regulations 60-1.4 is hereby incorporated by reference into this Contract as if set forth in full herein.

ARTICLE VII Prohibition of Conflicts of Interest

The Board shall compensate Contractor for Services satisfactorily performed through the effective date of termination.

ARTICLE X Termination for Default

The Board may, by written notice of default to Contractor, terminate the whole or any part of this Contract, if Contractor breaches any provision of this Contract, or so fails to make progress as to endanger performance of this Contract, and in either of these circumstances, does not cure the breach or failure within a period of five (5) days after receipt of notice specifying the breach or failure. In the event of termination for default, the Board may secure the required services from another contractor. If the cost to the Board exceeds the cost of obtaining the Services under this Contract, Contractor shall pay the additional cost. The rights and remedies of the Board provided in this Article shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

ARTICLE XI Disputes

Any differences or disagreements arising between the Parties concerning the rights or liabilities under this Contract, or any modifying instrument entered into under Article VIII of this Contract, shall be resolved through the procedures set out in the Regulations.

ARTICLE XII Contractor's Work Product

Unless waived in writing by the Contract Administrator, the Board shall retain ownership in and the rights to any reports, research data, creative works, designs, recordings, graphical representations or other works of a similar nature (hereinafter "Works") produced or delivered by Contractor under this Contract. Contractor agrees that the Works are "works for hire" and Contractor assigns all right, title and interest in the Works to the Board.

Any reports, information, data, etc. given to or prepared or assembled by Contractor under this Contract shall not be made available to any individual or organization by Contractor without the prior written approval of the Board. Provided, nothing in this Article may be used to violate the provisions of any Kentucky or Federal statute or regulation which requires reporting of information.

If Contractor has access to student records, Contractor shall limit its employees' access to those records to persons for whom access is essential to perform this Contract.
