

BMS/BHS Monthly Board Report
November 2021
Tiffany Hicks

THANK YOU, BOE MEMBERS!

- As always, thank you for your continued support in all of our endeavors!
- Thank you for allowing Mr. Skaggs and Mr. Pelgen the opportunity to showcase the amazing work they are doing every day.

INSTRUCTION

- With only 22 days left in the 1st semester, I am ensuring that teachers are maximizing every minute of every day with every student.
- This week, 7 teachers will complete a virtual Thinking Strategies institute from PEBC.
- The Bellevue Classroom Lab Hosts have begun meeting and planning for Internal Labs happening the week of December 6.
 - Our focus this round will be the pillar of Gradual Release of Responsibility in the Workshop Model.
 - Every teacher will participate in a pre-brief, observation, and debrief receiving 3 hours of professional development.

EXTRA-CURRICULARS

- Ms. Winkler is our NHS / NJHS sponsor for 2021-2022. She has established a faculty council and eligible students were able to apply based on scholarship, character, leadership / service, and teacher recommendation.
- Winter athletics are up and running! We are offering basketball, cheer, and archery.
- We are offering the following clubs through 21st CCLC: Homework Help / Tutoring, Competitor's Club, Jewelry Making, Book Club, Cinema Club, Adventure Crew, Chess Club, Yoga & Meditation, and Cooking Club.

NUE VUE / CREDIT RECOVERY

- We have 36 students actively participating in the virtual / hybrid option.
- 50+ credits have already been recovered by our students!

MINDFULNESS MONDAY

- Every Monday, Lynne or Heather creates a new 3-4 minute video that teachers share at the end of 1st bell.
 - Mondays are typically the hardest for students to get back into the swing of things. The goal is to help equip students and staff with a toolbox of different strategies to help with self-regulation.
