IX. STAFFING

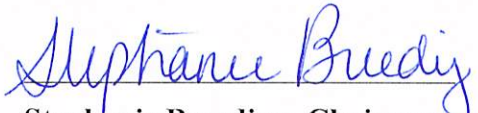

- A. Charity Nalley was hired as an assistant for Kimble's LI classroom and has been working for a few weeks now.
- B. Ashley Morris started out as a ½ time day employee but asked for more hours so after S. Breeding did some checking, she is now a full time employee with the other ½ her salary coming out of Title I.
- C. Gail Pike has also been hired as a ½ time assistant from Title I funds. Gail retired from Rineyville and wanted a part time job with just a few hours a day. She will work 1 hour each drilling site words with first, second and third graders that need extra assistance.
- D. Kelley Wissing was hired to be the other EBD assistant. Unfortunately, she wasn't able to pass the Para-educator test due to the Math portion. Kelley is currently working on her education degree but didn't have enough credits to avoid the Para-educator test. So that position is now reposted. Chris and Kelly are doing an awesome job even being down 1 staff member.

X. NEW BUSINESS

- A. L. Nichols and H. Bristol voiced concern with having recess in the grassy area next to the playground. They are concerned for student safety with the close proximity to the road. S. Breeding has reached out to Joe Stucker from Building and Grounds about extending the fenced in portion of the playground to include that area.
- B. There were also some concerns with the student restroom faucets. L. Nichols stated that they are aimed in the wrong location and some students seem to get soaked when they are washing their hands. S. Breeding said she would speak to Joe Stucker about that as well. R. Moore will put in a work order to have them repaired.
- C. New teachers are doing round 1 observation with Rita soon.
- D. M Grady is headed to a championship football game with Vine Grove. We all crossed our fingers and wished them good luck.

XI. ADJOURNMENT

- C. Dial motioned to adjourn, seconded by M. Grady. All members were in favor, motion carried and the meeting was adjourned at 3:18p.m.
