PROFESSIONAL DEVELOPMENT

- The March Professional Learning Day is a “Flex PL Day.” Teachers at DHS are responsible for getting 6 hours on their own or attend the March PL Day. Teachers at LES will be completing professional learning with The Reading League

ASSESSMENT

- HS students are in the process of completing the second round of STAR testing.
- LES students will be completing the second round of AIMSweb testing before break.

CURRICULUM/INSTRUCTION

- The CDIP – Comprehensive District Improvement Plan is up for approval at this month’s board meeting. This document has been created in collaboration with the Comprehensive School Improvement Plans.
- The CSIP GAP objectives also need to be approved by the Board of Education.
- All district walkthroughs have been completed for the first semester. Mr. Brewer, the building principals and I have completed a walkthrough with every grade level and content area. We will complete an additional walkthrough during the second semester.
- All students have completed their first round of Demonstrations of Writing. Students in first grade writing an informational piece, students in grades K, 2, 3, 4, and 5 wrote an opinion piece and students in grades 6 – 12 wrote an argumentative piece. Students in grades 4 – 12 wrote their piece in the new online Criterion writing program.
