3. As per the Preschool Partnership Grant, we have posted positions for an additional para-educator and a behavior specialist for preschool. Those positions will hopefully be filled in January, when funding is released to the districts.
4. We have a student returning to the district in early January as she ages out of the foster care system. She will be enrolling at Bellevue High School and is on track to graduate in the spring 2022. Thank you to the BOE for making this happen by sharing the cost of a high school teacher!!!
5. ATM meetings will begin again in January. I assisted Julie Rubemeyer in training staff regarding the RtI Procedures at an early release day. This will be a great help to young staff as they work hard to help all kids be successful.
