IV.a. Review/Approve Proposal for Guaranteed Energy Savings Contract per KRS 45A.352, and authorize negotiations for the finalization of a contract

Discussion:

Board Member, Hargis Davis asked Architect, Brad Beatty if he had contacted both the companies; He did contact each company because he had questions.

Further discussion was held with Finance Director, Kelley Gamble on each of the proposals.

Mr. Beatty reviewed proposal books, he reached out again to ask to for number to show for the priority sections of the bid. He advised the Board that either company would be feasible with a budget range and you can always negotiate.

Member, Hargis Davis asked if he had informed each company that it would be a "bonding" project. Mr. Beatty replied no, he did not.

Board Attorney, Jake Thompson asked Mr. Beatty if he had a recommendation. He said no, he has to work with both of these companies, and would not made a recommendation. He is sure either company is very capable, he saw no red flags. The question is, who does the District feel comfortable working with. Member Becky Burgett asked for info from Facilities Manager, Michelle Lawrence. Ms. Lawrence addressed her concerns with the Board, stating she still had a lot of questions. After more discussion, it was decided to go forward with Trane.
