LES – Braelyn Alvarado – 3rd Grade

Braelyn is a third-grade student who is new to our school but is already making a huge impact on her teachers and peers. Mrs. Tirey states, Braelyn is a very positive student! She is always looking for the bright side of things. She is kind to her classmates and often helps those around her. She is very hard working and asks questions to improve her understanding.

PLES – Mallary Denny – 4th Grade

Mallary always tries her best and finishes all of her work. She works well with other students and tries to help them when they need it. She is a wonderful reader and so intelligent. She has been a great addition to Paint Lick and I'm so happy to have her in my class this year. I look forward to seeing what else she accomplishes this year. (Rose Hay)

GMS – Eva Elleman – 8th Grade

Eva is an excellent student. She will do anything that is asked of her. She gives 110% on anything she does. She is respectful. She is an overall great leader and a great example for all our GMS students.

GMS – Gavin Noe – Grade

Gavin is an all-around great student and young man. He has a very positive attitude about everything -I don't know that I've ever heard him say anything negative toward any person, situation, or class assignment. He is very willing to help others; no matter who they are, what type of help they may need, or even when no one asks him to help. He just naturally takes it upon himself to help if he sees a need. What a great leader!

Gavin is also involved in Student Council, plays on the basketball team and is an office aide. The work and participation in each of these he does with great pride.

GCHS – Tate Davis – Sophomore

Tate is a 10th grader at GCHS. He has a heart of gold. Tate loves to share laughter and funny videos. Tate even found out that one of our secretaries likes Groot figurines. He bought one to add to her collection. Tate always asks if you having a good day or do you want to see something funny. Tate is a wonderful example of what it means to be a Golden Lion and we are very fortunate to have him at GCHS.
