Re: Bus Surplus and Donation request

12/20/21

Members of the Board & Dr. Lawson

Henderson County Schools has three (3) busses that #80, #81 and #84, that I am requesting be placed into surplus. All busses we manufactured in 2004.

In lieu of advertising for sale I am also requesting the Board approves the donation of the busses to Mayfield Independent Schools. Mayfield lost their Transportation garage and sustained damage to ever bus they have rendering them unusable. If approved Mayfield will be responsible for inspecting busses and will assume liability upon delivery.

If donation is not possible I would like to request we allow them usage of the busses until they can replenish their fleet. It would be done as a lease agreement and they would assume liability.

Thank you for your consideration

Director of Transportation
