Dear Amy,

I have been working with Anderson Cleaning since January 2019. They have done an exceptional job in keeping our facility clean. We have approx. 120000 sq. ft. of cleanable area.

Melissa and her team are very professional and personable. They care about their people and the people they are working for. They have completely turned our facility around in cleanliness and complaints.

I am happy to recommend them to anyone. If you have any questions please contact me.

Sincerely,

Johnny Poe
