

January 2022
Collaborative Service Agreement between
CHNK Behavioral Health and IGNITE Institute

This service agreement represents the intent of CHNK Behavioral Health and IGNITE Institute to extend its collaboration in providing support services for LGBTQ+ youth. Details for Affinity Group noted below:

Affinity Group

CHNK's master's level clinician will provide a twelve-week support group for one hour each week at the rate of \$50 per scholar per session. Affinity group will commence following approval on January 13, 2022 Board meeting and conclude after twelve sessions. A comprehensive curriculum will be provided to the district prior to the start of group.

IGNITE Institute agrees to identify scholars to partake in group and obtain consent paperwork (provided by CHNK) from guardians prior to the commencement of group. A scholar may join group at any point during twelve-week session. Should identified scholar need additional support outside of group, CHNK or identified staff at IGNITE can refer for a comprehensive biopsychosocial assessment to determine an appropriate level of care.

CHNK will submit a monthly invoice for rendered services, with payment expected within 30 days of receiving the invoice.

The signatures below confirm the intent of CHNK and IGNITE Institute to partner in the provision of support services as outlined above. Please sign and return by January 20, 2022.
