RE: Board Agenda Item  
January, 2022 Work Session

I am requesting the Board's approval to use \$526,562.30 of the construction contingency funds for the New 800 Student Elementary School (OMES). The original furniture budget was \$500,000.00 and the total furniture quote for the project is \$1,026,562.30. Thus, the need for the additional funds.

Before this request there is \$1,277,579.15 in construction contingency using \$526,562.30 for this request will leave \$751,052.85 in contingency.

If you have any questions please call me at 502-921-3659.
