#KSBA22

Arguably our most popular annual conference tradition, KSBA will once again display beautiful banner artwork depicting the conference theme. We invite each district to submit a student-designed banner for display in conference materials and in the banner gallery area. The banners are an important contribution to the conference, reminding attendees of schools' primary focus – learning and learners. View/download banner instructions and specifications via the conference web page. The artwork deadline is the first week of February.

The Kentucky Organization of Superintendents' Administrative Assistants (KOSAA) 16th Annual Winter Meeting is Friday, Feb. 25, 2022 coinciding with KSBA's Annual Conference. Visit ksba.org/KOSAA.aspx to view additional details or begin easy online registration.

KSBA requests proposals for 2022 Learn and Learn webinar series

KSBA is currently requesting proposals for our 2022 Learn and Earn webinar series. If you have an informative topic that is relevant to board members and district leaders, consider submitting a proposal for one of our one-hour webinars to be offered each month from March – Nov. 2022. Submit a proposal form online and view additional details at ksba.org/LearnandEarn.aspx. The deadline to submit proposals is Feb. 4.

About KSBA's "Learn and Earn" webinar series:

The slate of virtual trainings offers insightful (and concise) topics each month while providing school board members with required training credits. Sessions are usually scheduled from noon – 1:00 p.m. (Eastern) on the second Wednesday of each month. Pre-registration is required, and space is limited to 100 viewers each session. All Learn and Earn webinars count for 1 hour of board training credit.

As 2022 Regular Session ramps up, review KSBA's legislative priorities

The 2022 KSBA Legislative Agenda focuses on five priorities:

- Enacting a state budget that adequately provides for all students of our common schools
- Supporting local board leadership and balancing the roles of school-based decision making councils (SBDMs) and boards
- Restructuring state-required professional development to refocus time, energy and money on training most impactful on student achievement
- Extending legal liability protections provided to local school boards, districts and employees
- Helping boards to recruit bus drivers from among existing staff with stipend reforms

Visit KSBA's website at ksba.org/LegislativePriorities.aspx for a detailed breakdown of these priorities including a printable version for your reference. For ongoing legislative coverage, please follow KSBA on Twitter (@KSBAnews) and read KSBA publications.

Utilize KSBA's School Board Recognition Month toolkit to honor your local leaders

January is
**School Board
Recognition Month**
#LoveKySchoolBoards

January is School Board Recognition Month, making it the perfect time to express gratitude to the locally elected men and women charged with governance of your district. KSBA has created a wide variety of easy-to-use resources and templates from which district central office staff may borrow.

Access KSBA's School Board Recognition Month toolkit at ksba.org/SBRM.aspx. The toolkit is packed with downloadable social media graphics, document templates, certificates and a long list of suggested activities. When sharing your School Board Recognition Month Activities on social media next month, use the hashtag #LoveKySchoolBoards. KSBA will share/retweet our favorites all month long!
