## PLEASE NOTE:

The information contained within this document is for budgeting discussion purposes only
The cost shown are intended to be higher than actual construction cost to offset in unforeseen market conditions.

The purpose of this document is to allow the Garrard County Board of Education to make high level budgeting discissions. At which time the Board can instruct Clotfelter/Samokar on which projects they wants C/S to proceed into full Schematic \& Design Development Once the Board has narrowed down the list of projects Clotfelter/Samokar will engage with consulting engineers and Trace Creek Construction Managers. At which time the team will refine the cost of each project to "at actual" construction cost and continually update the Board on those cost throughout the design process.

The projects listed in the building-by-building breakdown are not identified as urgent or in need of immediate repair, they are only identified as possible projects that could occur at each building.

## Garrard County District Wide Cost Estimate Summary

| DESCRIPTION OF WORK | INITIAL BUDGET EST. COST | SCHM. DESIGN EST. COST | DESIGN DEV. <br> EST. COST | NOTES |
| :---: | :---: | :---: | :---: | :---: |
| Lancaster Elementary School | \$6,893,050 |  |  |  |
| Paint Lick Elementary School | \$4,847,100 |  |  |  |
| Camp Dick Robinson Elementary School | \$6,720,940 |  |  |  |
| Garrard Middle School | \$13,456,800 |  |  |  |
| Garrard County Area Technology Center | \$721,500 |  |  | Cost to Build a New Area Technology Center \$31,616,000 |
| Garrard County Education Center | \$1,989,728 |  |  |  |
| Garrard County Bus Garage | \$57,525 |  |  | Cost to Build a New Bus Garage: \$2,990,000 |
| Garrard County High School | \$46,689,175 |  |  |  |

The above table is a quick reference of the combined estimated cost of multiple projects at each building shown by location.

| DESCRIPTION OF WORK | INITIAL BUDGET EST. COST | SCHM. DESIGN EST. COST | DESIGN DEV. EST. COST | EXPLANATION OF COST |
| :---: | :---: | :---: | :---: | :---: |
| VCT Flooring Replacement 1 st floor vapor retardant, new tile, and base | \$542,975 |  |  | $\begin{aligned} & 1^{\text {st }} \text { Floor 24,200SF @ } \$ 14.50 \text { SF }=\$ 350,900 \\ & 2^{\text {nd }} \text { Floor 19,700SF @ } \$ 9.75 \text { SF }=\$ 192,075 \end{aligned}$ |
| Replace Carpeting in Library | \$37,125 |  |  | 2700 SF @ \$13.75 SF |
| Refinish Gym Floor | \$50,750 |  |  | 7000 SF @ \$7.25 SF |
| Repaint Building Interior | \$210,000 |  |  | 60,000 SF @ 3.50 SF |
| Renovating Existing Restrooms Fixture and Finishes upgrades | \$590,000 |  |  | 3 Primary Double Gang Restrooms $@ \$ 130,000$ per set $=\$ 390,000$ <br> 1 Gym Double Gang Restroom @ \$80,000 <br> 12 Single User Restrooms @ $\$ 10,000$ per $=\$ 120,000$ |
