Attachment Summary	6

2021-22 Phase Three: Comprehensive School Improvement Plan Rationale

School improvement efforts are a collaborative process involving multiple stakeholders. During the improvement planning process, leaders focus on priority needs, funding, and closing achievement gaps between identified subgroups of students. When implemented with fidelity, the Comprehensive School Improvement Plan (CSIP) cultivates an environment that promotes student growth and achievement.

While the focus of continuous improvement is student performance, the work must be guided by the aspects of teaching and learning that affect performance. An effective improvement process should address the contributing factors creating the learning environment (inputs) and the performance data (outcomes).

For those schools operating a Title I Schoolwide Program, this plan meets the requirements of Section 1114 of the Every Student Succeeds Act as well as state requirements under 703 KAR 5:225. **No separate Schoolwide Program Plan is required.**

Using the Comprehensive School Improvement Plan Template

The template is a complement to the Needs Assessment for Schools. Using your determined priorities, you will set both short- and long-term targets and outline the activities intended to produce the desired changes.

- a. Develop your Strategic Goals using the [Comprehensive School Improvement Plan Template](#).
- b. Upload your completed Comprehensive School Improvement Plan in the attachment area below.

Summarize the plan of action developed through your goal setting process.

Describe which objectives and strategies will be maintained and which will be added or modified to address current needs as outlined in your needs assessment diagnostic, especially those of any identified gap groups.

North Middle School is committed to providing meaningful learning experiences and knowledge that will enable our students to become self-sufficient and active members of our diverse and everchanging society. Our purpose is to ensure that our students become responsible citizens, active community members, and lifelong learners. Our school-wide expectations are life-long expectations: be prompt, prepared, polite, and productive. Our National Beta Club fosters academic, leadership, and service opportunities for our students. Our Vex/Robotics club encourages creativity, innovation, and problem solving among our students. Our youth mentoring and Girl Power groups provide students with much needed

opportunities for talking through problems, and our Sources of Strength program encourages peer led positive interactions/events. We have a myriad of student selected elective courses offered, intervention blocks, and an after school academic help program through ESS. In addition, North Middle School offers a variety of sports, performing arts, extra and co-curricular, and academic opportunities.

Operational Definitions

Goal: Long-term three- to five-year targets based on the five (5) required school level goals. Elementary/middle schools must have goals for proficiency, separate academic indicator, achievement gap, growth, and transition readiness. High schools must have goals for proficiency, separate academic indicator, achievement gap, graduation rate, and transition readiness. Long-term targets should be informed by The Needs Assessment for Schools.

Objective: Short-term target to be attained by the end of the current academic year. There can be multiple objectives for each goal.

Strategy: An approach to systematically address the process, practice, or condition that the school will focus its efforts upon, as identified in the Needs Assessment for Schools, in order to reach its goals or objectives. There can be multiple strategies for each objective. The strategy can be based upon Kentucky's six (6) Key Core Work Processes listed below or another established improvement approach (i.e. *Six Sigma*, *ShIPLEy*, *Baldrige*, etc.).

Key Core Work Processes: A series of processes identified by the Kentucky Department of Education that involve the majority of an organization's workforce and relate to its core competencies. These are the factors that determine an organization's success and help it prioritize areas for growth.

[KCWP 1: Design and Deploy Standards](#)

[KCWP 2: Design and Deliver Instruction](#)

[KCWP 3: Design and Deliver Assessment Literacy](#)

[KCWP 4: Review, Analyze and Apply Data](#)

[KCWP 5: Design, Align and Deliver Support](#)

[KCWP 6: Establishing Learning Culture and Environment](#)

Activity: Actionable steps used to deploy the chosen strategy. There can be multiple activities for each strategy.

Measure of Success: Criteria that shows the impact of the work. The **measures** may be quantitative or qualitative but are observable in some way.

Progress Monitoring: Process used to assess the implementation of the plan, the rate of improvement, and the effectiveness of the plan. Should include timelines and responsible individuals.

Funding: Local, state, or federal funds/grants used to support (or needed to support) the improvement initiative. If your school is a recipient of Title I, Part A funds, your CSIP serves as your annual plan and should indicate how Title I funds are utilized to carry out the planned activities.

Requirements for Building an Improvement Plan

The required school goals include the following:

- For elementary/middle school, these include proficiency, separate academic indicator, achievement gap, and, growth.
- For high school, these include proficiency, separate academic indicator, achievement gap, graduation rate, and transition readiness.
