2021-22 Phase Three: Executive Summary for Schools

Description of the School

Describe the school's size, community/communities, location, and changes it has experienced in the last three years. Include demographic information about the students, staff, and community at large. What unique features and challenges are associated with the community/communities the school serves?

Radcliff Elementary serves students in grades 1-5 and is located in Hardin County, in the city of Radcliff. Radcliff Kentucky sits just outside the gates of the U.S. Army installation Fort Knox. This area has a high unemployment rate -hovering at about 5% with approximately 20% of families living in poverty; approximately 30% of our students participate in the Backpack Program that provides food on Fridays for the weekend. There are approximately 375 students at Radcliff Elementary. However, students move in and out frequently with approximately 15% of our student population being transient throughout the year. Approximately 50% of our student population is minority. Although the majority of our students qualify for free or reduced lunch, all of our students receive free breakfast and lunch because we are identified as Community Eligibility Provision school. In addition, approximately 10% of our students receive mental health services through local agencies and programs. Currently we have 31 certified staff members, 17 classified staff members, 1 counselor, 1 assistant principal, 1 principal, and 1 family resource coordinator. Radcliff Elementary experiences high staff turn over.

School's Purpose

Provide the school's purpose statement and ancillary content such as mission, vision, values, and/or beliefs. Describe how the school embodies its purpose through its program offerings and expectations for students.

Our core values at Radcliff Elementary School (RES) include being Respectful, Empathetic, and Student-centered. Our mission is to teach students to persevere, to work cooperatively, and to be responsible, productive citizens. Our goal is student growth. Students are expected to meet our PBIS school wide expectations through being prompt, prepared, polite, productive.

Notable Achievements and Areas of Improvement

Describe the school's notable achievements and areas of improvement in the last three years. Additionally, describe areas for improvement that the school is striving to achieve in the next three years.

A notable achievement at Radcliff Elementary include a significant decrease in the number of behavior referrals over the last two years. Areas of improvement include parent involvement and increasing academic achievement.

Additional Information

CSI/TSI Schools (including ATSI) Only: Describe the procedures used to create the school's improvement plan and briefly state the specific efforts to address the causes of low student performance and resource inequities.

N/A

Additional Information

Provide any additional information you would like to share with the public and community that were not prompted in the previous sections.
