RE: GoDaddy Domain Name Purchase

We have used GoDaddy.com to purchase and secure our domain name over the last decade or so. GoDaddy also provides hosting but we don't use them for that, we have all of our district sites hosted locally. The only thing that wouldn't be hosted locally is the district website.

We are asking permission to continue using GoDaddy to purchase our domain name on a year-to-year basis. Thank you.

Let me know if you have any questions you can reach me at kevin.fugate@bullitt.kyschools.us or 502.869.8040. Thank you!
