RE: Item for the January Board Meeting - Request to Change Literacy Posting

Due to the challenges faced with trying to secure a full-time teacher, Interim Principal Dionna Bickley is requesting to change the approved full-time certified literacy teacher position at Pleasant Grove Elementary School to a part-time certified literacy teaching position instead. She has verified the appropriate funding through the Finance department. Please see the attached memo.

Memorandum

DATE: January 2022
TO: Human Resources and the Board of Education
FROM: Dionna Bickley, Interim Principal (PGES)
SUBJECT: Literacy Position Change

Dear Althea,

The current literacy teacher position requisition for Pleasant Grove Elementary was originally for a full time certified teacher. In order to best meet the needs of our students with the best candidate possible, I am requesting a change in the position. Pleasant Grove Elementary would like to re-post the literacy position as a part time, three days a week, position that will service our literacy needs in grades 1-2.

Thank you for your consideration and time.

Sincerely,

Dionna Bickley
