SUBJECT: Summer Feeding Program

The Kentucky Department of Education is once again sponsoring the Summer Food Service Program for Children. Christian County Public Schools has successfully participated in the worthwhile program for over 30 years.

I am requesting approval from the Christian County Board of Education to participate in this program for June and July, 2022. Christian County Middle School will be the primary preparation and feeding site. Other district schools may also be a preparation site as well a feeding site. There will be various feeding sites across the area/county.

I, Penny Holt, will be the Program Administrator.

Thank you for your consideration regarding this matter.
