Re: **Letter of Recommendation**  
Woodford County High School Emergency Repairs  
Versailles, Kentucky  
BG 22-158  
RTA 2133

Upon receipt of bids received on January 20, 2022 for the above referenced project, we find no reason not to recommend that a construction contract be awarded to the apparent low bidder, Haire Construction in the amount of \$310,000.

Upon selection of the contractor, the Board should make a motion to award a construction contract to Haire Construction pending approval by the Kentucky Department of Education. The Board should also approve a revised BG1 form which reflects the final construction total.

We have attached a copy of the Bid Tabulation Form for your review. If you have any questions or concerns, please don't hesitate to contact us.

Sincerely,

Sarah Lamere, AIA  
Principal
